

PEPPER TREE

VARIETAL RANGE 2022 Wrattobully Pinot Gris

The 2022 Pinot Gris shows ripe pear and green apple aromas melded with florals and spice notes. A fruit driven palate with a hint of spice, well balanced with great mouth feel and crisp finish.

Head Winemaker Gwyn Olsen

VINTAGE

Wrattobully experienced a cool vintage which led to slow balanced ripening. The cool weather allowed for complete flavour ripening by time sugar ripeness was achieved. This produced great balance across all varieties and exceptional colour and flavour depth in all red varieties whilst the whites have beautiful floral characteristics and natural balanced acidity.

WINEMAKING

Picked at optimal flavour balance, the grapes were then chilled and pressed. The juice was cold settled and racked clear before inoculating with an aromatic yeast strain. Fermented cool to capture the floral aromatics, the final wine was then lees stirred for one month to enhance texture. Once complete the wine was prepared for bottling.

VINEYARD

Wrattobully is located in the Limestone Coast wine zone. The prominent viticultural feature of the area is the series of ancient beach ridges and dunes which run roughly north-south through the area. These ridges are made up of soft crumbly limestone which weathers to produce the red and brown Terra Rossa clay loam soils so highly prized for grape growing. The ridges and dunes have elevations of up to 30m compared with the neighbouring regions to the south with Terra Rossa 'high' of less than 5m. The extra elevation on the Wrattobully dunes produce the advantage of cold air drainage which reduces the risk of frost during the growing season.
