

PEPPER TREE

VARIETAL RANGE 2017 Wrattonbully Cabernet Sauvignon

An excellent Cabernet, this wine has ripe aromas of cassis and blackberry. A full flavoured palate displaying sweet ripe fruit and dried herb notes balanced by fine tannins, providing great structure and length.

Head Winemaker Gwyn Olsen

VINTAGE

Good winter and spring rains were accompanied by cool spring weather which led to a late budburst. The soil moisture produced good early season growth but flowering and then veraison were both late following on from the late budburst. Ripening occurred in relatively cool conditions leading to the latest harvest for many years. Pinot Gris and Chardonnay were picked in late March with good acid balance and flavour. Merlot and Tempranillo followed in early April in ideal cool dry conditions and both varieties produced very good wines. Our top Cabernet blocks were picked by April 19th with good flavour ripeness and acidity.

Early indications are for wines of excellent quality and balance for Vintage 2017.

VINEYARD

Wratttonbully is located in the Limestone Coast wine zone. The prominent viticultural feature of the area is the series of ancient beach ridges and dunes which run roughly north-south through the area. These ridges are made up of soft crumbly limestone which weathers to produce the red and brown Terra Rossa clay loam soils so highly prized for grape growing. The ridges and dunes have elevations of up to 30m compared with the neighbouring regions to the south with Terra Rossa 'high' of less than 5m. The extra elevation on the Wratttonbully dunes produce the advantage of cold air drainage which reduces the risk of frost during the growing season.

APPELLATION/ GI

Wratttonbully (South Australia) 100%

WINEMAKING

Individual blocks machine harvested once flavour ripe and destemmed, sorted in the vineyard. The fruit is chilled at the winery and cold soaked for 4 days before being inoculated. Fermented with M2 yeast in static fermenters for 10-14 days before being pressed off skins. Wines are then racked to oak for 20 months maturation before blending and bottling.

TECHNICAL INFORMATION:	
BLEND:	Cabernet Sauvignon (100%)
BOTTLING DATE:	12/2019
PH:	3.52
TA:	6.1 g/l

2021 HALLIDAY WINE COMPANION

There's value to be had here. It's soft, well shaped and well fruited with blackcurrant and gum leaf flavours flowing attractively through the palate. There's just enough tannin without it getting in the way. Many boxes ticked.
