## ‘AMARYSSO’

### Wrattobully Blanc de Blanc

‘Amarysso - to sparkle’ is made from Chardonnay grapes off our Wrattobully vineyard, this Blanc de Blanc displays lifted aromas of citrus and white peach with crunchy nectarine filling the palate.

This easy drinking style has a lively effervescence meant to be enjoyed whilst young, crisp and vibrant.

Head Winemaker, Gwyn Olsen

#### VINTAGE

‘Non-Vintage’ refers to wines that are produced with grapes from different harvest years. These wines are typically blended with wines made from grapes of multiple years to create a consistent flavour profile from year to year.

This particular bottling of non vintage sparkling is a blend across a few vintages including 2016, 2017 and 2019.

#### VINEYARD

Wrattobully is located in the Limestone Coast wine zone. The prominent viticultural feature of the area is the series of ancient beach ridges and dunes which run roughly north-south through the area. These ridges are made up of soft crumbly limestone which weathers to produce the red and brown Terra Rossa clay loam soils so highly prized for grape growing. The ridges and dunes have elevations of up to 30m compared with the neighbouring regions to the south with a Terra Rossa ‘high’ of less than 5m. The extra elevation on the Wrattobully dunes produce the advantage of cold air drainage which reduces the risk of frost during the growing season.

#### WINEMAKING

Picked in the cool of the morning, the Chardonnays juices were pressed off before being cold settled and inoculated with a select sparkling yeast. Once fermentation was complete the wine was stirred on lees for 6 months to enhance texture and richness on the mid palate. After specific cellar ageing, the wine was prepared for bottling and carbonation.
