‘FRUITLOOP’  
2022 Wrattenbully Viognier

Our 'Fruitloop' Viognier is a deviation from our normal style of Viognier with a richer and fruitier style palate filled with floral and honeysuckle notes whilst the nose is abundant with zesty tangerine and mango fruits. This style is meant to be enjoyed chilled in its youth.

## VINTAGE

The 2022 vintage produced excellent full flavoured wines which will rival the outstanding 2021 vintage; however, the crop levels were much lower than 2021. The generally cool weather conditions led to a long cool ripening season which extended into early May. Our whites are showing great acid balance and very good flavour. All reds ripened well. A very good vintage.

## APPELLATION / GI

## WINEMAKING

Hand picked and crushed immediately, the free run juice was cut at 500L/tonne and settled bright in tank before racking and inoculation for ferment. The wine was fermented cool to preserve bright fruit characters. The wine was then prepared for bottling.

## VINEYARD

Wrattenbully is located in the Limestone Coast wine zone. The prominent viticultural feature of the area is the series of ancient beach ridges and dunes which run roughly north-south through the area. These ridges are made up of soft crumbly limestone which weathers to produce the red and brown Terra Rossa clay loam soils so highly prized for grape growing. The ridges and dunes have elevations of up to 30m compared with the neighbouring regions to the south with a Terra Rossa 'high' of less than 5m. The extra elevation on the Wrattenbully dunes produce the advantage of cold air drainage which reduces the risk of frost during the growing season.
