LIMITED RELEASE - SINGLE VINEYARD

‘TALLAWANTA’  
2013 Hunter Valley Semillon

The name ‘Tallawanta’ identifies the single vineyard in which the fruit has been sourced from. This heritage listed vineyard further highlights the great diversity of style and flavour in Hunter Valley Semillon.

Pure Semillon fruit aromas of lemongrass and lime articulate this classic Hunter Semillon. The palate is intense yet elegant, displaying mineral texture with great line and length. A wine of great drive, coupled with extraordinary finesse. Enjoy now or confidently cellar for the next 5-10 years with ease.

## VINTAGE

The Hunter vintage started two weeks early this year with the first grapes being picked on January 14. Due to the warm weather, the pace of vintage was verging on frantic with reds hot on the heels of the whites. Whites are looking pristine while the reds are showing fantastic colour and flavour.

## VINEYARD

Our Limited Release Semillon comes from the famous ‘Tallawanta Vineyard’ in the lower Hunter Valley. These old vines produce tiny quantities of intensely flavoured fruit. The red clay soils on the foothills of the Brokenback Range lead to a unique expression of what is considered to be Australia’s greatest white wine style.
